

Accessibility Statement

SeaSpect Solution is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

Our Commitment

We strive to make our website and services accessible to all users, including those with visual, hearing, cognitive, or mobility impairments. We believe that everyone should have equal access to information about our marine surveying services.

Standards

We aim to conform to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards. These guidelines help make web content more accessible to people with disabilities and user-friendly for everyone.

Current Measures

Our website includes:

- Clear navigation structure and headings
- Alternative text for images
- Sufficient colour contrast
- Keyboard navigation support
- Readable fonts and appropriate text sizing

Feedback and Contact

We welcome your feedback on the accessibility of our website and services. If you encounter any accessibility barriers or have suggestions for improvement, please contact us:

Phone: +65 6393 9399

Email: mail@seaspect.net

Address: 20 Cecil Road, PLUS, Singapore 049705

We will make every effort to respond to accessibility concerns within 2 business days and work toward a solution.

Ongoing Efforts

We regularly review our website and services to identify and address accessibility issues. We are committed to ongoing training for our staff and continuous improvement of our digital accessibility.
